

# PowerMind – Unit 01 Lesson 02

## Thinking: Our Idea Factory

### lesson worksheet

---

## 1. Thinking Is Working (Even When We're Still)

Look at the picture your teacher shows.

Tick **YES** or **NO**.

Question	YES	NO
Is the body moving?	<input type="checkbox"/>	<input type="checkbox"/>
Is the Idea Factory working?	<input type="checkbox"/>	<input type="checkbox"/>

👉 **When finished:**

Work on your own first.

Then your teacher will tell you to **check your answers with your group**.

---

## 2. Thinking Job Match

Draw a line to match each **thinking job** to the best example.

### REMEMBERING

→ thinking about yesterday

### IMAGINING

→ picturing a flying elephant

### PLANNING

→ deciding what to do first

### PROBLEM-SOLVING

→ fixing something that went wrong

### DECIDING

→ choosing between two things

👉 **When finished:**

Compare your matches with a partner.

Then your teacher will ask your group to **agree on all five**.

---

## 3. Which Thinking Job Is This?

Look at each situation.

Circle **one** thinking job.

1. You can't find your shoe.  
REMEMBERING   IMAGINING   PLANNING   PROBLEM-SOLVING   DECIDING
2. You think about summer holidays.  
REMEMBERING   IMAGINING   PLANNING   PROBLEM-SOLVING   DECIDING

3. You choose a red crayon or a blue crayon.

REMEMBERING IMAGINING PLANNING PROBLEM-SOLVING DECIDING

 **When finished:**

Your group will **check answers together**.

Your teacher may ask **one group to share** how they decided.

---

## 4. Thinking Before Doing

Read the situation.

Your pencil breaks during your work.

Number the steps in the order they happen.

- ☐ You fix or replace the pencil
- ☐ You think about what to do
- ☐ You notice there is a problem

 **When finished:**

Work in pairs.

Then your teacher will tell you to **explain the order to your group**.

---

## 5. Talk Together

Your group agrees on **one answer**.

Two children are different.  
One likes quiet to think.  
One likes moving to think.

Circle one:

- ☐ Both Idea Factories are working the same
- ☐ Both Idea Factories are working, but in different ways

 **When finished:**

Your teacher will choose **one group** to tell the class what they decided and why.
